[How did IE get to be so bad \(relative to Chrome, Safari, Firefox\)?](#)

539 Hadi Partovi, founder/investor guy

I was part of the Internet Explorer leadership and ran Program Management through the launch of IE 5.0, so I can talk about what made IE amazing during the "good years" (th... [Read More »](#)

[What is Roger Federer like in real life?](#)

854 Anon User

I met him in Scotland. I was in a small Scottish town not too far from Dundee, called Pittenweem. We were incidentally in the same hotel. It was small, not at all like a bi... [Read More »](#)

[Why does Starbucks not need my signature on payment receipt when I pay by credit card?](#)

699 Garrick Saito, Starbuck's coffeeholic, fan and share...

This is an operational decision based on risk.

Close your eyes and think for a moment what happens to that little piece of paper with your signature on it.

Now, try to imag... [Read More »](#)

What is it like to be denied tenure as a professor?

321 Pablo Pomposiello, biotechnologist

The short answer: I was denied tenure at the University of Massachusetts-Amherst in 2008. It wasn't fun, it wasn't a surprise and it wasn't the end of anything really, othe... [Read More »](#)

How did Yale and Harvard become so prestigious?

328 James Pitt, Harvard undergrad.

Because they're very old and very rich.

Harvard was the first university established in the United States; Yale was the third. They've been building up their endowment and... [Read More »](#)

The Fourth Wave: From a skin flick to bluetooth. One woman's amazing life.

675 Simon Brown

 Written by Naomi Ragan.

It all started with a skin flick.... [Read More »](#)

What would happen if the world's richest men donated \$1 million to every inhabitant on earth?

450 Balaji Viswanathan, Founder Zingfin.com

If Carlos Slim were to give his wealth equally to every inhabitant on earth, each individual would get \$10. You could treat yourself to a nice cup of coffee two times. In d... [Read More »](#)

How does one become a better writer?

258 **James Altucher, Blogger, author, social media, invest...**

 Back in college, Sanket and I would hang out in bars and try to talk to women but I was horrible at it. Nobody would talk to me for more than thirty seconds and every woman... [Read More »](#)

How was the \$100 million 2003 Antwerp Diamond Center heist executed?

226 **Shobhit Khinvasara, An arts engineer**

 The story of the heist is better than any robbery movie(fictional or real) carried out with military precision. Spies and other covert operatives can easily take a page fro... [Read More »](#)
