Today, I received a mail from Mr. Mauperon from MERCEDES Paris containing an order form which does not match the recap I sent to him. He added options not selected.

Furthermore, about the options, he confirms that technically the rear Entertainment Pack (P46) is required so the rear business telephone (856) can be provided. Thus P46 for 2,900 € has to be added if 856 is selected.

About the color "black 040", he stresses the fact that it's a non-metalic color and that he would recommend to opt for the "Obsidian black", which is a metallic color with no extra cost.

Please advise so I can get a new order form corresponding to your wishes.

Madame Experton,

Veillez trouver ci-joint le bon de commande concernant la classe S 500 L de Monsieur Epstein. La peinture Noir (040) est une couleur non métallisée il vaut mieux prendre le noir obsidienne couleur métallisée sans supplément de prix.

Pour les options comme indiqué dans mon dernier mail, je suis obligé d'ajouter le pack divertissement arrière pour avoir le téléphone arrière business. Lors de notre dernière conversation téléphonique vous m'indiquiez que Monsieur Epstein souhaitait l'option (610) vision de nuit hors je ne le retrouve pas dans votre récap d'options dois je l'enlever?

A vous lire,

Cordialement,
