Dear Jeffrey,

I hope you are well.

We are happy to send you our presentation for your dining room.

We propose to include some chairs by Edgar Brandt. An auction sale will be held this Thursday 27th in Paris with these chairs. The providence and the conditions are excellent, Andy Warhol sold the chairs to Andrée Putman in 1988.

Let me know if you need further details about our work and if you want us to move forward on the project.

Best regards,

Sébastien Grandin
