## **ci2015 Scholarships are now live!**

**We are searching for the most outstanding emerging leaders and innovators from across Australia who are creating the future.** They are game-changers in society who are not content to just let the future happen, but rather are actively working to implement ideas that make a difference.

Right now, the Race to the Future is occurring faster than we can imagine. Disruption is everywhere. The actions we take now will impact future generations in a powerful way and we need to find innovative solutions to the great problems of today, to make them the opportunities of the future.

**Creative Universe is excited to offer up to 10 places to Ci2015 for emerging leaders across all sectors**

The Ci2015 scholarships are provided to emerging leaders to prepare them for the challenges of tomorrow and help them access key decision makers across society and the economy.
