Getting to know the artisans behind the craft. | [View in browser](#)

There's something about knowing where an object came from, the story behind it, and the hands that crafted it, that adds a richness to the design. Handwoven rugs, individually thrown pots and vases, and carefully-crafted artisan credenzas, fill our homes with character and a strong and unique voice. We're inspired...

Because nothing can ever
compare to teak.

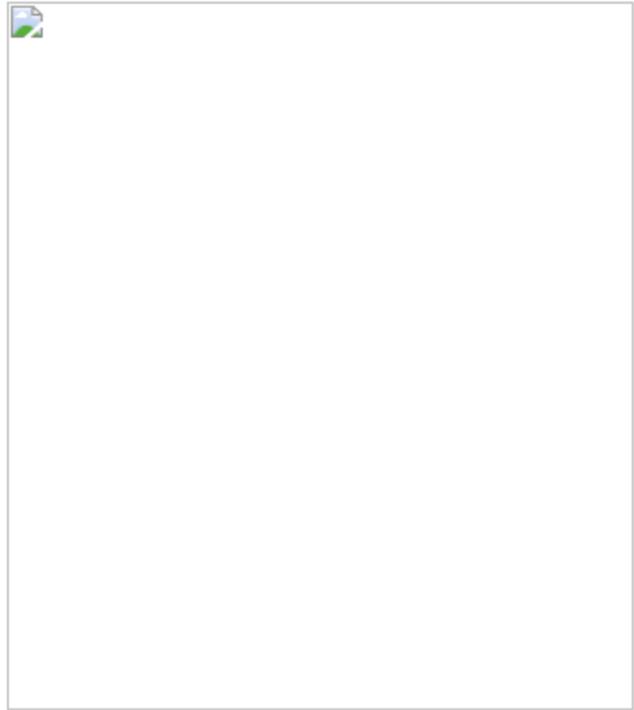

Mementos from around
the globe.

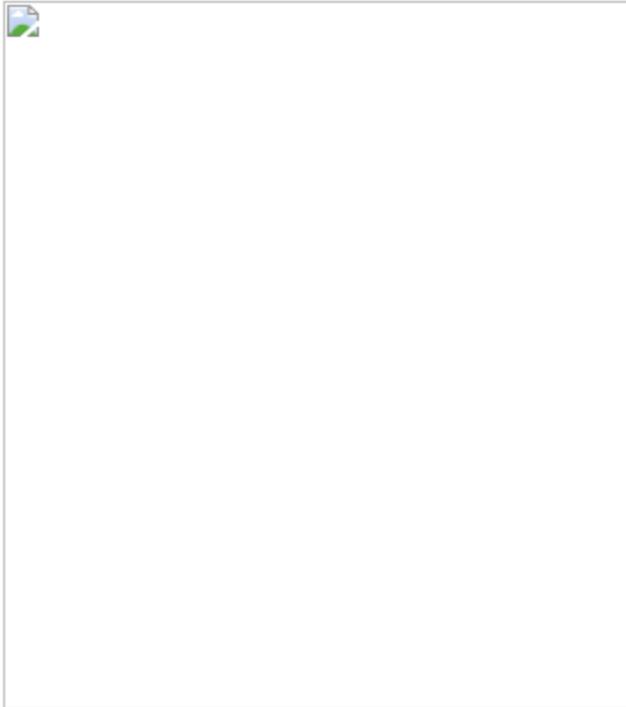

We'll never be afraid to layer patterns, textiles, and colors.

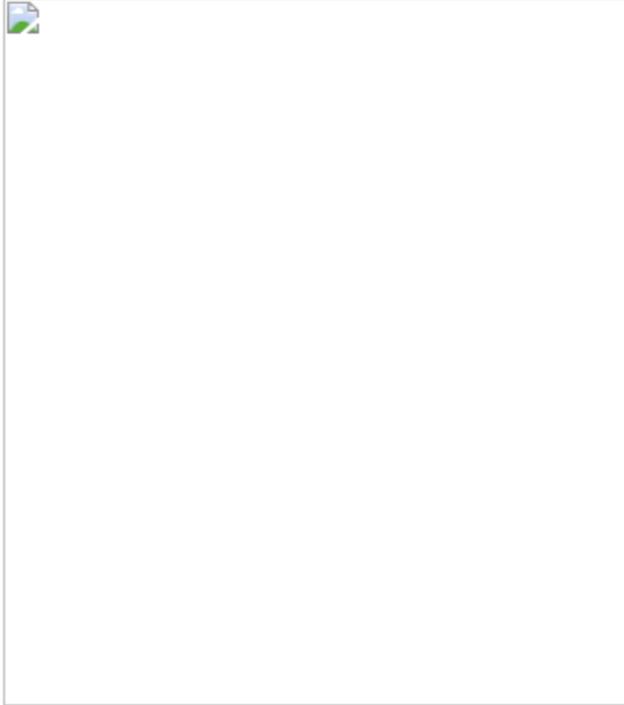

The magnetic appeal of modern, open concept living.

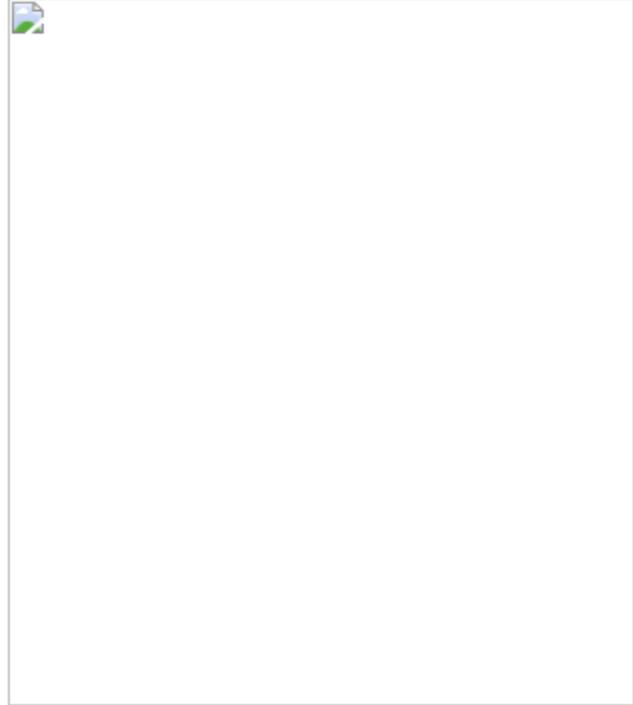

Where creative entrepreneurs go to work

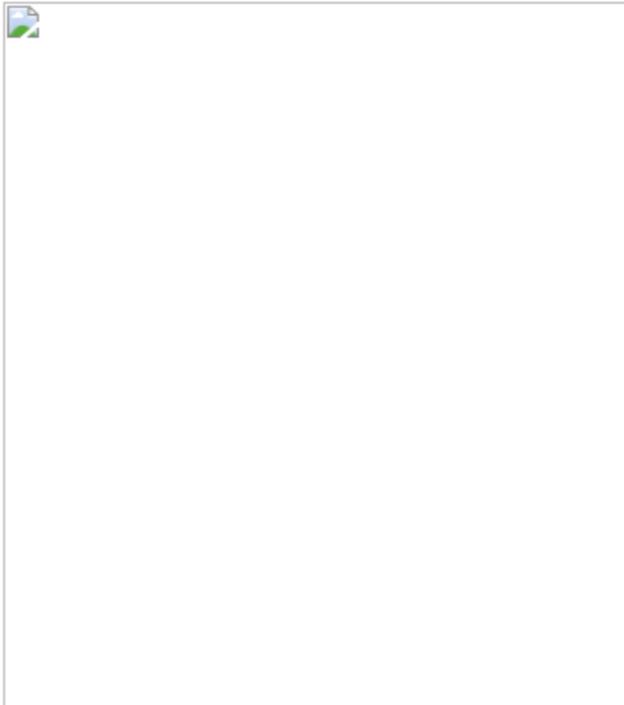

Wander the forest from the comfort of your bath.

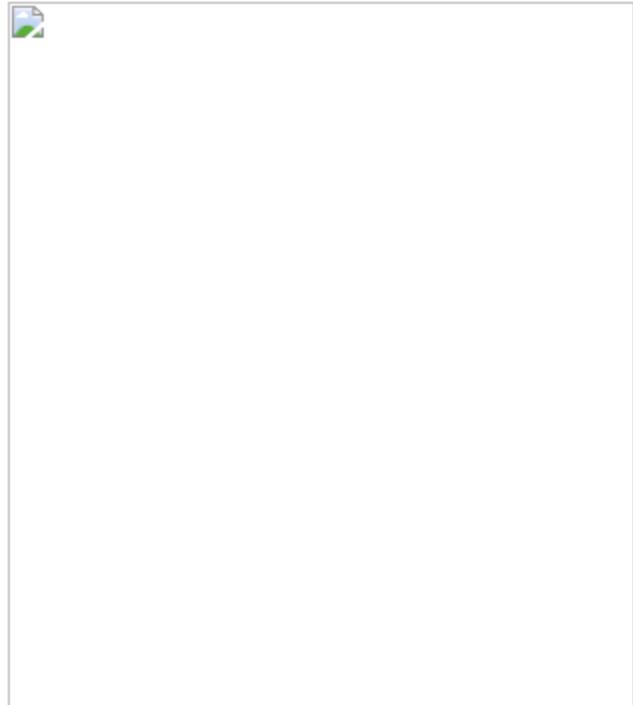

Experience the tropics with timeless elegance.

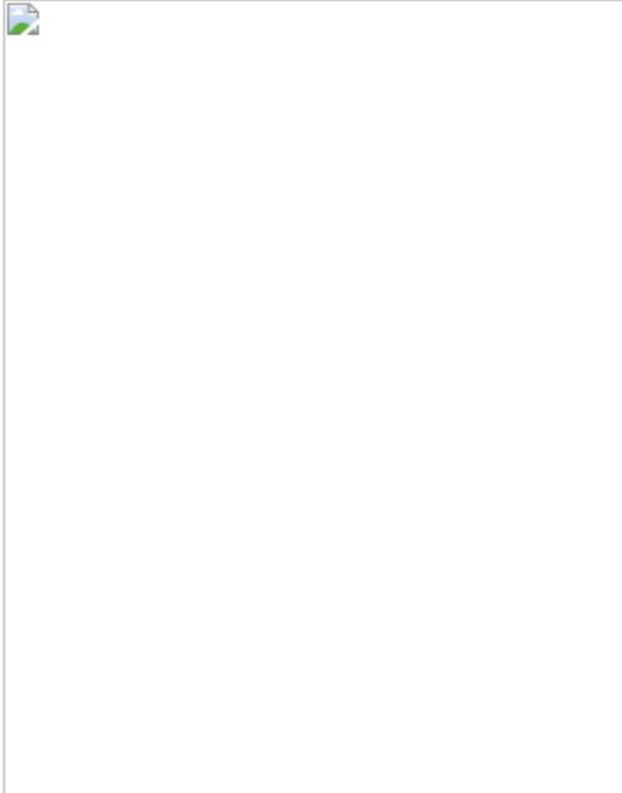

The tricks to creating a hushed and sophisticated interior.

We promise to embrace the mechanics of design.

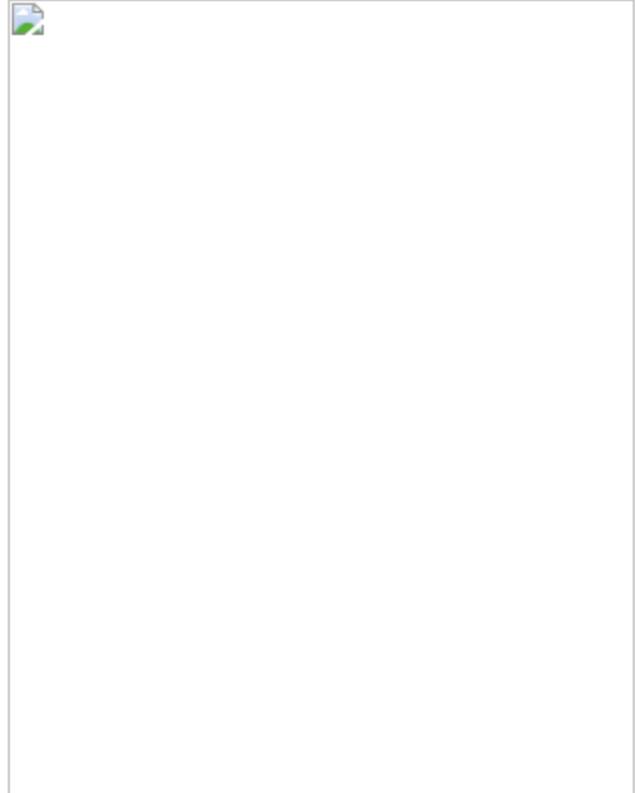

Style sounds better on vinyl.
