HELP YOUR CHILD GET INTO THE BEST COLLEGE

GET 50% OFF

Dear Parents,

As a former subscriber, you know how much The New York Times can contribute to your understanding of important issues and events.

The Times is also a powerful resource in preparing students for college.

A low-cost digital subscription can help your child get better grades, build vocabulary for the SATs, write persuasive essays, so important for college applications, and make a strong impression in college interviews.

With this exclusive education offer, you'll pay just 99¢ for the first four weeks and get 50% off our regular rate thereafter.

SAVE NOW ON A GIFT SUBSCRIPTION FOR YOUR CHILD

You received this email because you are a former subscriber to The New York Times.

Gift subscriptions can only be purchased for users who are not currently subscribed. Please allow 24 hours for gift subscription order processing. Promotional offers for new subscribers only. Smartphone and tablet apps are not supported on all devices. Subscriptions do not include e-reader editions, Times Premier or digital versions of The New York Times Crossword. Prices shown are in U.S. dollars. Gift subscription period begins the day of redemption. Redemption codes expire five years after date of purchase. Other restrictions apply.

To learn about all of our education rates, please visit our [Education Rates](#) page. To order at our regular low rate, please visit nytimes.com/access. If you have questions, please send an email to edu@nytimes.com.

To ensure delivery of emails from The New York Times, please add nytimes@e.newyorktimesinfo.com to your address book.
