Re: *Claim of [REDACTED] against Jeffrey Epstein*

Dear Mr. Epstein c/o Mr. Brewer:

As per your conversation with Jeff Herman on June 2, 2015, please allow this correspondence to provide a more detailed description of the events giving rise to Ms. [REDACTED] potential claim against Mr. Epstein. Please also find enclosed, photographs of Ms. [REDACTED] when she was approximately 15 years old.

In approximately 2002, Ms. [REDACTED] who was fifteen years old, was brought to Mr. Epstein's New York City home by an older female she met through a friend at Talented Unlimited High School. Ms. [REDACTED] does not recall the name of the older female. She does recall being told that Mr. Epstein was someone who was well connected and could help her with her career.

Ms. [REDACTED] was brought to Mr. Epstein's home for which she recalls was located on the upper east side of Manhattan, close in proximity to Central Park and a church. Ms. [REDACTED] recalls entering the home through a large brown mahogany door, walking up a few stairs and waiting in a secretary office/waiting room. Ms. [REDACTED] was then taken in an elevator to the "massage room" where she first met Mr. Epstein.

Upon meeting in the massage room, Mr. Epstein undressed himself and was wearing only a towel. Mr. Epstein then removed Ms. [REDACTED] shirt and bra and began touching and caressing her in a sensual manner. Mr. Epstein discussed the fact that Ms. [REDACTED] father had passed away and told her things like "I will take care of you". Mr. Epstein then asked Ms. [REDACTED] to "pinch his nipples" for which she complied. Mr. Epstein proceeded to then masturbate himself, took Ms. [REDACTED] hand, placed it on his penis, and had Ms. [REDACTED] masturbate him until he ejaculated on himself. Mr. Epstein asked Ms. [REDACTED] how old she was and she responded by telling him that she was 15. Mr. Epstein then stated that she "looked like she was 18", that she "was so mature" and "no one has to know". Mr. Epstein then gave Ms. [REDACTED] \$300.00 cash before she left.

After this first incident, Mr. Epstein began requesting visits from Ms. Araoz on a somewhat regular basis. On some occasions, Mr. Epstein would call her personally and on others, someone else would call her on Mr. Epstein's behalf. On one occasion, while Ms. Araoz was approximately 15 years old, Mr. Epstein was rubbing and caressing Ms. Araoz as per the usual routine. Mr. Epstein told Ms. Araoz "don't be afraid" and "I care for you" and then engaged in sexual intercourse with her without a condom. After the sexual intercourse was complete, Mr. Epstein gave Ms. Araoz approximately \$300 cash.

From approximately 2002-2004, during the time Ms. Araoz was 15-17 years old, Ms. Araoz visited Mr. Epstein's home approximately 25 times. Each visit began with Ms. Araoz giving Mr. Epstein a massage and concluded with sexual activity such as touching, caressing, and masturbation of Mr. Epstein. On approximately 5 occasions, Mr. Epstein engaged in sexual intercourse with Ms. Araoz. On each occasion, Mr. Epstein paid Ms. Araoz approximately \$300 cash.

Please contact myself or Jeff Herman if you have any questions or wish to discuss pre-suit resolution of this matter further.

Sincerely,

Arick W. Fudali
