| ITEM | DESCRIPTION | TOTAL |
|----------|---|----------|
| Proposal | We are pleased to propose the following survey work on a two acre, more or less, portion of Parcel C, Little St. James. Work would include field topographical survey and locations of improvements. All work would be available digitally Our fees for the above work would be \$3350. A 50% deposit would be required to commence work with the remainder due upon completion. | 3,350.00 |

| | |
|--|-------------------------|
| All payments for work done requiring an OLG number from the Lieutenant Governor's Office, will be due upon submittal of maps for filing, NOT upon assignment of OLG number. Please be advised that once the maps have been filed, the client is responsible for working with the Public Surveyor to ensure timely assignment of an OLG number. | TOTAL \$3,350.00 |
|--|-------------------------|

I accept responsibility for payment in full for the work done under this proposal. (A signature is required to begin work.)
