Subject: Projects We Love: Radio Power

Date: Thu, 26 Jun 2014 19:58:45 +0000

This week we launched [Play now](#), a collection of over 100 Kickstarter-funded games playable on Steam. Not sure what to play first? No worries! We have a [list of recommendations](#) straight from video game experts.

Radio Diaries: New Season

Radio Diaries: New Season

By Radio Diaries

It's a simple idea: give people tape recorders to document their lives, and make a show about it. For 15 years, [Radio Diaries](#) has been doing that, and along the way they've created a collection of episodes about the extraordinary moments in ordinary life. Now, they want to make another season.

Storied Marks : Customized Legacy Growth Rulers

Storied Marks : Customized Legacy Growth Rulers

By Justin Park

A handwritten growth chart on the doorframe is a familiar sight in many childhood homes. But what if you want to paint or move without losing record of all that growth? This is why Justin Park began making his CNC-routed rulers. They're a family memento that you can take with you.

 **Shake Your Power****Shake Your Power**

By Sudha

Shake Your Power is a percussion instrument that generates electricity. With assembly of a few simple components, it becomes a shared musical experience that can charge electronics or lights in places that don't have access to a power grid. Next up: kits so everyone can build one.

Hundreds of films and counting

Kickstarter-funded features, shorts, docs
and more — now on iTunes.

[Watch now.](#)

Make a piano album.
Or a piano made of bananas.
