Dear M. Kahn,

Please, find attached M. Epstein 2014 wealth tax forms.

The amount payable is 19.124 €, decreasing from 2013 (22.863 €), due to the Paris real estate price slow down, end of 2013.

Thanks for your comments.

Would you agree, just print and sign the forms (on page 4), and send them (without the comparison 2013/2014, last page) with a check for 19.124 € to the usual address in Noisy :

Thanks and regards.

Dear M. Kahn,
Thanks for this information about the building maintenance of SCI JEP.
I will use the unpaid expense (77 K€) as at 31/12/2013 as a liability for the 2014 wealth tax.
Kind regards.

Any "debt" for important work on the building corresponding to amount due and not yet paid on January 1st, 2014 could qualify as deductible debt ("dettes déductibles") i.e. debt due for important work on the building still due on January 1st of the current year.

For proof of the overall amount due by SCI JEP, see attached minutes of the general assembly of June 13th, 2013 and its annexes (approximately: 127,740.79 € for SCI JEP) and of the 2 payments made in 2013. Still due on January 1st, 2014: 3 installments of 25,548.21 € each - see attached copy of the letter received today from HELLIER DU VERNEUIL confirming this amount due in 2014.

I also attach for your information, the draft English summary of the decisions of June 13th, 2013 as a reminder. Do you need an English translation of the letter from HELLIER DU VERNEUIL received today?

NB: Once the works are all over, the value of the building will have to be increased (for 2015), regardless of the annual re-evaluation that you should apply every year.

Best regards.
