Good Day Rich,

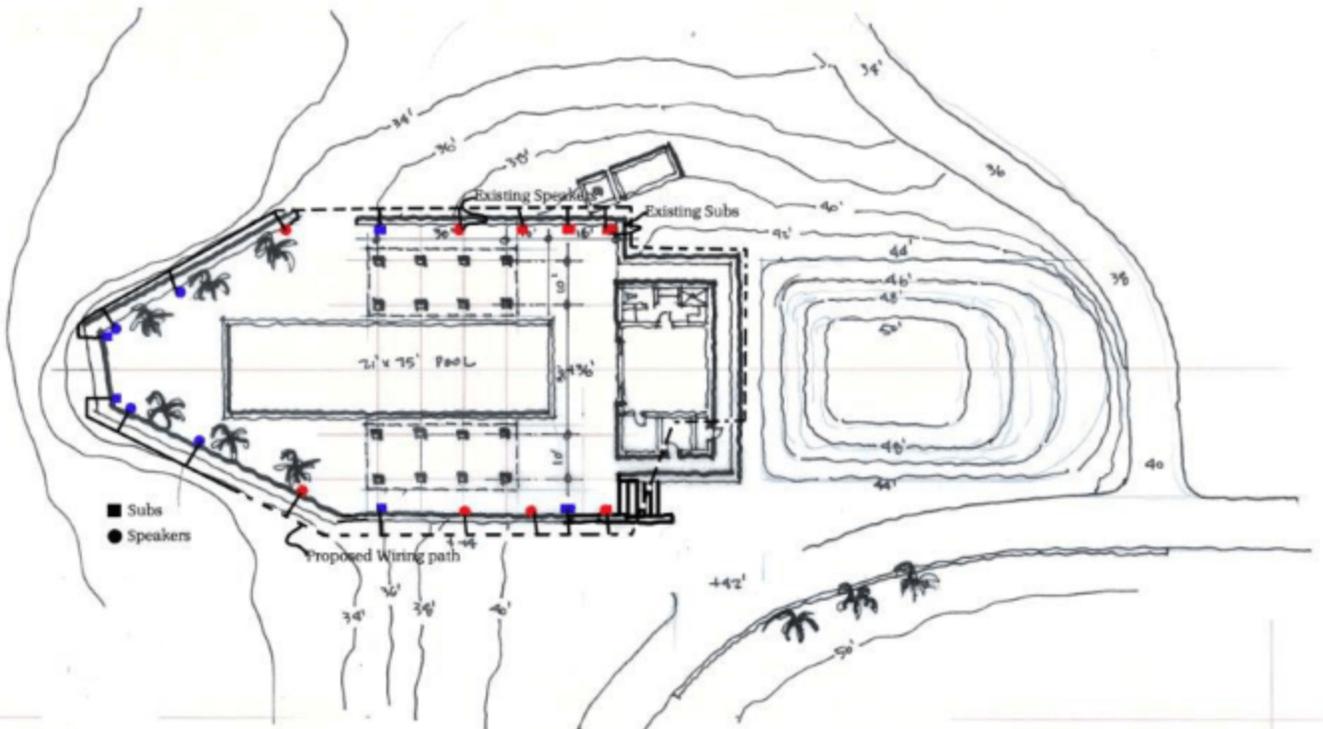

Proposed plan of action for the Flag pole pool "Concert Quality Sound" Project" (*this is subject to change due to weather or JE's schedule*):

Persons involved: myself and Randy

1. 12/22 - Talk to Danny and Chris on where the wiring will be buried
2. 12/22 - Talk to JE concerning the speaker positions
3. 12/23 - Unpack the Speakers and position them for JE Review and Approval
4. 12/23 - Dig up existing cables. (Cable will be above ground but not disconnected)
5. 12/23 & 12/24 Begin Pulling cables for existing speakers
6. 12/29 & 12/30 Wire in the new lines for existing speakers and remove existing lines.
7. 12/31 - Pull wire for new speakers
8. 1/5 - Connect new speakers and amps.

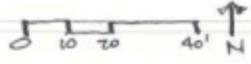

Regards
