The total value of the castle is 8M and 100 000 per year to mantain. My cousin's part is arround 3,5M but she is against the fact that it becomes a family "condominium" with many people living in it. "One owner, one vision. if not it's a mess." This is what she told me... She wants that the castle goes to the son of my older brother because he is the one that will pursue the lineage of the family and has a solid economical background since her mother is a Ferragamo so they can mantain it.
