Hi Rich,, Nice guy earning a 350k base, 25-50k bonus , singular office /multi generation, Firm worth about a billion , with other entities & holdings, Solid educational background, CPA, negative (no aircraft),, in family offices but has been exposed to very high net worth returns from Deloitte. Seems strong on the tax, solid on the family office, the aircraft though is not there . I saw a picture of him, very normal, ordinary looking professional family guy, He lives in IL , but is available to move right away if necessary. He will be out of the country from June 10-June 19th in Paris, BTW, regarding his title he is the CFO on the Family Office side, the Panduit Corp has a CFO on the corporate side,
