Rich just received from the Cadillac Vendor a copy of the actual sticker from the 2015 Escalade. So we now have a reliable VIN for the new 2015 Cadillac. I have updated the master list to include the new Cadillac, noting that the license plate is "to be issued" (we are also awaiting a license plate to be issued for the DeNali at LSJ and I have marked that on the list as well). I have also indicated on this master list that the property location for the 2012 Escalade is New Mexico (Rich said he will ship the 2012 Escalade from NY to NM as soon as we get the new truck on Wednesday).

So, the attached covers the upcoming purchase of the new Escalade and the shipment of the 2012 Escalade to NM. The one I sent you 10 minutes ago does not. I was not sure which you would want to use given that the purchase has not yet happened and potentially something could go wrong and prevent a purchase on Wednesday. Please let me know which one you want to use, as I will need to send a notice to update Ms. Pinney and NY CJS once the purchase occurs if you use the one I sent you 10 minutes ago, rather than the one that is attached. Thanks.
