Anthony originally estimated Svet 3M renovation to be 15-18k and it appears now that Svet is asking for bathroom to be done which Anthony believes is currently in good shape
Should i request pictures or proceed and allow bathroom renovation?
Please advise

Hi Rich,

Enclosed is the invoice for 11P. It looks like there are two apartments remaining.. 8H and 3M - we will do the kitchens and 3M will do some bath room work
8H has a large kitchen. None of these will require major electric or appliances so the prices for each should be around \$15-\$18K.

Thanks
