Hi Lydia

With regards to the interview with HH Sheikh Hamdan, we suggest the following.

We have taken into considering the need for a one-on-one interview in a studio environment, plus the preference for visitors from China to see our landmarks, the Burj Al Arab and Burj Khalifa; and the contrast with showing part of old Dubai. I am very happy to discuss this but we need to make a quick decision:

1. Yang Lan travels to Burj Al Arab (Sail shaped hotel) in a helicopter and lands at the helipad (Note – the ideal scenario would be for HH Sheikh Hamdan to be in the helicopter)
2. The one-on-one interview takes place in a suite at the Burj Al Arab and covers the main questions
3. Yang Lan and HH Sheikh Hamdan journey down through the Burj Al Arab and into a car: they are shown briefly travelling down Sheikh Zayed Road (main highway of Dubai)
4. They arrive at Sheikh Saeed House (historic home of HH Sheikh Hamdan's great-grandfather) - Yang Lan asks HH Sheikh Hamdan about his personal life, his love for poetry and his thoughts on Dubai's rise to a global city
5. They arrive at Burj Khalifa (world's tallest tower)
6. They travel to the top of Burj Khalifa - and discuss Dubai's ambition and future growth.

Please let me know your thoughts as soon as possible

Kind regards

Charlie

Hi Jessie:

it seems on 21st the day time is available for interviews, but not the evening time. 22 is more busy, she is free on the morning, but not from 12am-15:30pm. other time is Ok.

I think it is better we arrange two interviews all in 21st day time, and on the second day, our production team can go around Dubai to do some shooting.

I will give you the [Yang Lan studio's company registration certificate](#) tomorrow, because today is Sunday, and our legal department is not working.

Thanks
waiting for your reply
Lydia

Hi Ivy and Lydia,

We will book the flights from our office. Cheryl (on cc) will be assisting with all logistics and bookings for your group.

I would like to confirm that Yang Lan is available on 21 – 22 April, with 12pm – 3pm on 22 April being blocked out due to the conference. We are working out the schedule right now, and will need this confirmation.

I'm working on the final touches of the contract, and will send it over tomorrow. Please send me Yang Lan studio's company registration certificate, as our lawyer has asked for it.

Cheers!

Dear Lydia

HH Sheikh Hamdan is available on the 21st April – I now need clarification from you on how long you will need to conduct the full interview, including the sit-down interview and the filming of him and Ms Yang in different locations in Dubai.

Unfortunately both HH Sheikh Ahmed and HE Mohamed Al Shaibani are now not going to be in Dubai – His Highness Sheikh Mohammed, Ruler of Dubai, is going away on a significant overseas trip and both HH Sheikh Ahmed and HE Mohamed Al Shaibani are going as part of the delegation. We therefore need to organise a different second interviewee which is something we are looking into with urgency – it is likely that it will be HE Helal Almarri, Director General of Dubai Tourism, so the piece will feature on Dubai's tourism story.

With regards to the second interview, can you also confirm when this would take place – it has come to our attention that Ms Yang's participation in a conference will stop her from being able to film during the early afternoon of the 22nd.

Considering the investment we are putting into this project, please clearly outline Ms Yang's schedule from arrival to departure

Kind regards

Charlie
