Subject: Hi Jeffrey

Date: Sun, 23 Mar 2014 15:10:51 +0000

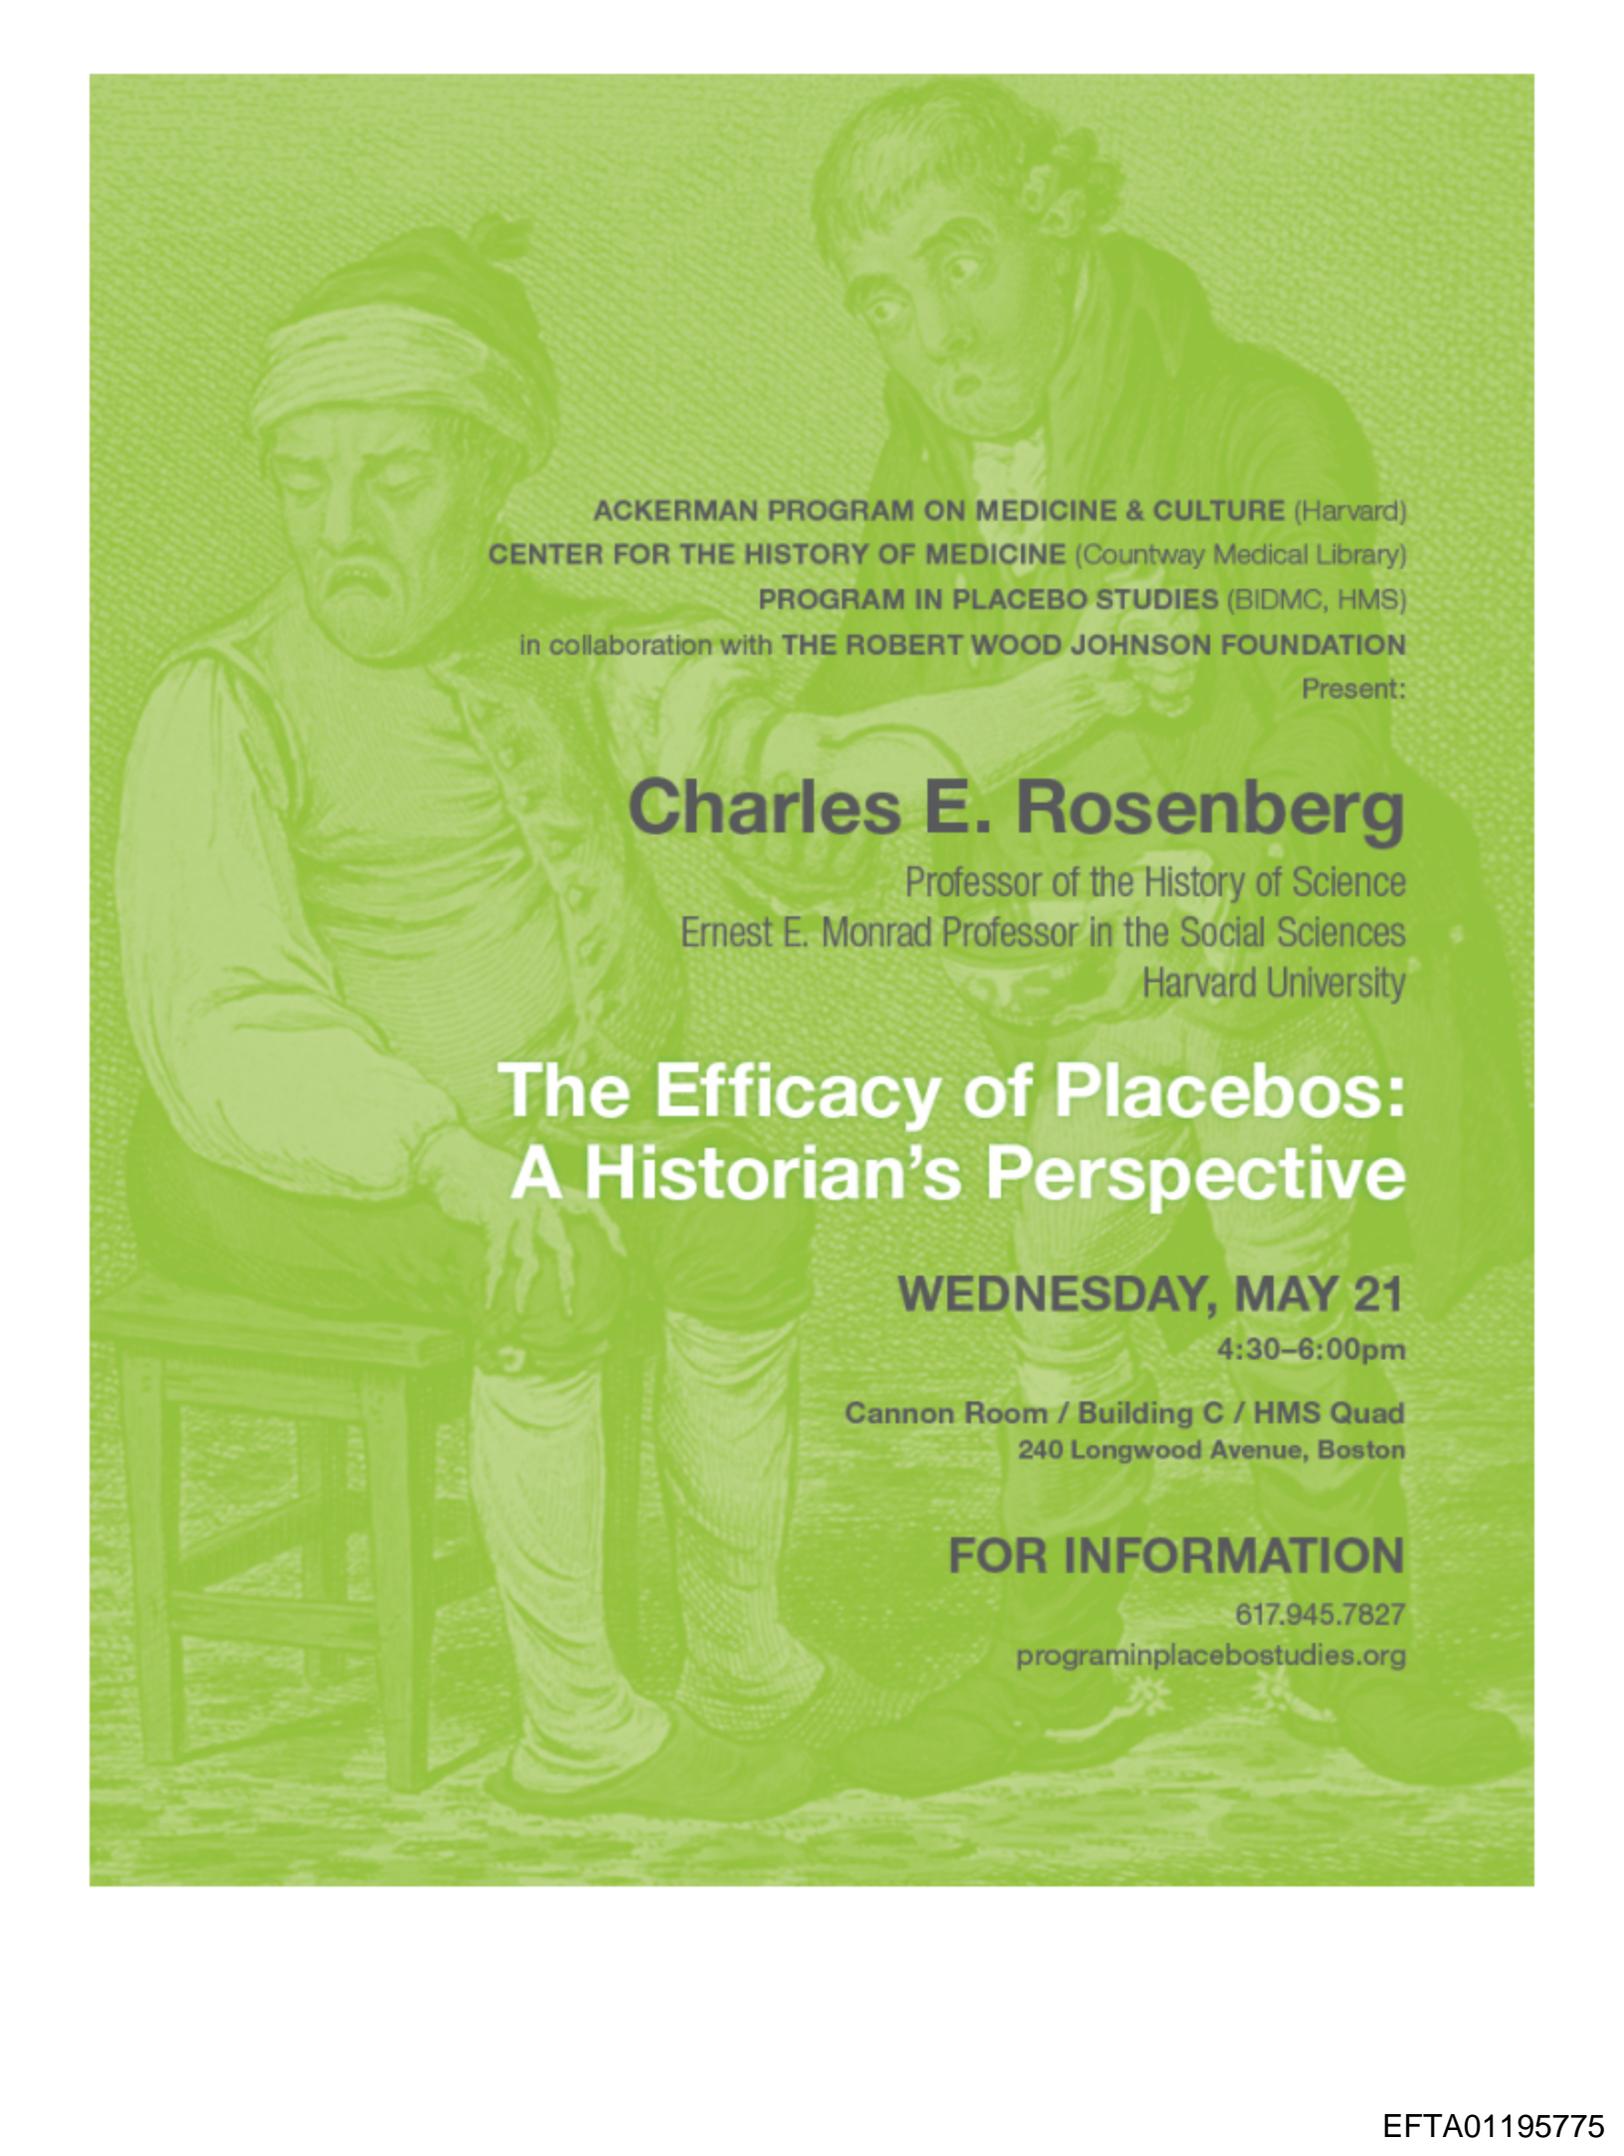

Attachments: Migraine_STM_2014.pdf

Inline-Images: RWJ_Placebo_Efficacy_v4.jpg

Attached find our most recent placebo study and the 8 minute segment on NPR's Science Friday concerning the study. link: <http://www.sciencefriday.com/segment/01/10/2014/migraine-study-reveals-the-power-of-placebo.html>

Also attached is the flyer on our upcoming public lecture on issues of history and placebo effect. A small invitation-only seminar of historians and scientist will take place the next day. Your invited to these events.

Best wishes,
Ted
