What is the best career for a young woman like me ?

Where is it the fastest and most interesting way to make money, to contribute to a better development of the world ? Where would be the most effective added value of the person you see in the attached document ?

I appreciate greatly your thoughtful advice Jeffrey.. I will introduce you to new assistants^ - if i move to NY..you ll have loads of them to choose from ;) i sincerely advice you to meet [REDACTED]. She knows at least 7000 persons, most of them smart supermodels..she is based in NY. She is a very close girlfriend of mine
