Note: This Section States you can use "bank" in the designation of an IBE's business. I am looking in the Corporate statutes to see what limitations there are about the use of the word bank in the name of the Corporation. FYI, if allowed to use in the name of the Corporation and you want to change the name, you have to amend the articles of incorporation and the IBE statute also says you have to get director approval before you amend your articles of incorporation
