Subject: Dock Fenders

Date: Tue, 23 Jun 2015 19:44:00 +0000

Attachments: SHBRK_Scann15062315370.pdf

Layout

Attached are 5 layout options for dock fenders in addition to our current layout

Options 1-3 are three rows of 6' fenders

Carlos measured to cover entire dock we would need 693 feet which comes to 116 (6' pieces)

Options 4 & 5 are two rows of 6' fenders

Carlos measured to cover entire dock we would need 462 feet which comes to 77 (6' pieces)

Note 500 feet is minimum order therefore we will need to order 84 pieces

Carlos has sample on LSJ in dark grey color which you said was correct color

If you are not satisfied with any of the above layouts please advise on alternate configuration

Fender Holes

Regarding Holes in Fenders i also outlined two options

Option A - Screws will be 1.5 feet apart

Option B - Screws will be 1 foot apart

The Back Hole would be 1/2" and Front Hole will be 1.5"

Timing

Production will take 3 weeks and then another 1 week for shipping

Projected arrival on STT is July 20

Installation

Carlos said that with Ramon and Hernando installation will take approximately 1 week

Projected Costs

Options 1-3 (three rows of fenders) Color - Dark Grey # 11181 13.44 x 693 feet = 9,314.92

Vendor Hole Drilling (1 drilling cost per hole x 116 pieces x 3 holes)

348.00

Stainless Steel Threaded Rods & Bolts (estimated 116 pieces x 3 screws per piece x

12.00) 4,176.00

| | |
|--|------------------|
| Tropical Shipping | 1,500.00 |
| Miscellaneous Tools (drill bits, etc) | <u>661.08</u> |
| Total Cost with three rows of fenders | 16,000.00 |

| | |
|--|-----------------------------|
| Options 4 & 5 (two rows of fenders) Color - Dark Grey # 11181 | 13.44 x 500 feet = 6,720.00 |
| Vendor Hole Drilling (1 drilling cost per hole x 84 pieces x 3 holes) | |
| 252.00 | |
| Stainless Steel Threaded Rods & Bolts (estimated 84 pieces x 3 screws per piece x 12.00) | 3,024.00 |
| Tropical Shipping | 1,500.00 |
| Miscellaneous Tools (drill bits, etc) | <u>504.00</u> |
| Total Cost with three rows of fenders | 12,000.00 |

Please advise on which Option you would like in addition to number of holes per piece (3 or 4)
