Dear Andrea –

Thank you for your patience while the proposal from Dr. Larsen was shared with relevant staff here. I appreciate you sent it to me nearly one month ago.

As you can see from the attached letter, unfortunately it is not a project we are able to pursue with IPI. But we are very pleased you considered us as a partner.

Please accept our best wishes for your continued good work.

Sincerely,
Amy

Dear Amy,

I hope you are doing fine.

Please find attached a letter and a proposal from Terje Roed Larsen. Could you please let me know who are the relevant people within the organization to address with such a proposal

Thank you

Andrea
