Jeffrey:

It was so nice to see you in Vancouver. In fact, unexpectedly nice and thank you so very much for the favor you did for me.

Your ears may have been burning as I spent half a day on Eustatia Island with our mutual friend Larry Page and your name came up on a couple of occasions.

Little Dix and that part of the world is wonderful and the weather was terrific.

Gloria was quite moved at your favor also, and suggested I might send you a copy of her first book, Virgin Kisses. You'll see there are references that are dated but I think you'll really enjoy reading it. On one of your flights to and from Little Jeff Island or New Mexico, you can easily page through it.

Thanks once again and I'd love to see you when I'm in NYC. I'll be there at the 24th & 25th April and also for the DLD Conference on the 30th April & 1st of May. I would like to talk to you about a couple of things.

My best to you and I hope this finds you in good health.

RSW
