Our Trade! This Fresh Water kept beauty is in exceptional condition. Recent independent survey values her at \$425K and we are offering at \$399K! An outstanding design for the West Coast as there is no canvas, the inside helm is always comfortable, she has huge windows and lots of living space, she has exceptional seakeeping abilities and this particular vessel is loaded with great cruising options!

How do they achieve all this in a 39' vessel? She is a one stateroom, one head (with shower!) vessel (dinette can be converted for extra berth when needed). Finished with exquisite woodwork, she is the typical Grand Banks in that her equipment and fixtures are "high quality and simplistic," making her A very reliable vessel.

Trades considered.
