It is not a debate.. IT is a dialogue, about Singers fascinating and sometimes controversial views of ethics, from animal rights, through the need to provide hugely more support for third world poverty, to the right of suicide.. So we will discuss these ideas, based on his books, in some detail.

working on my new book now.. in the home stretch.. It is very good, I think. :)

so our tickets are bought for 6-14 October.. will you be down on the island for any of that time? Thanks for everything. Also,, will you come to Singer event oct 16 in phoenix? and finally.. looks like will be working with Johnny depp on a new film.

one other thing.. do you want to contribute to ScienceDebate2016.. i.e. getting a debate between pres. candidates, on science and technology issues?
