I'd like to say there was no involvement and the co is based in NH. Can I do it myself or who can make the statement? I dont want their stories to affect my visa..

Hi . Jon Swaine from The Guardian here. Could we talk about Avipool? I wondered what Jeffrey Epstein's involvement had been in helping you start up, and whether you rent property from him. If you'd prefer not to comment please say. Thanks - JS

\*Aviloop - apologies
