i spoke with Tom Mukamal at AYH and he confirmed they would be moving the Barge to a new T Head at C or D dock  
he did not want to discuss much as he said this is allowable per our agreement  
good news is that it is not another marina however i am told it may be tougher to maneuver from those locations

Rich,

It will be moving to the T head od D dock. I talked to Anna today and it will need to be moved there this Friday or Saturday, as the P dock construction is scheduled to start.

Best,  
Lee
