██████████ -

It's great to hear from you! Yes, I would be interested in skyping with you. When would you like to schedule a lesson? If we work consistently through April we should definitely improve your score to one that will get you into a good school.

Let's set up a time to skype later this week? best,

████████████████████

██████████

New York, NY

Hourly rate: \$60.00

Cancellation policy: 4 hours notice
