Re: Mr. Jeffrey Epstein - Offender ID 33216

Ladies and Gentlemen:

In connection with the registration in New York of Mr. Jeffrey Epstein, Offender ID 33216, as a sex offender, attached is an updated list of Automobiles, Boats, Aircraft, Telephone Numbers, Email Addresses and Internet Related Information (the "Updated List"). This update is in response to recent incidents where a website and an internet account previously created by internet reputation management service providers engaged by Mr. Epstein have been hacked by unrelated third parties who have used that website and that account for their own purposes without any authority or approval from such service providers or Mr. Epstein. As a result of these unauthorized uses, an internet reputation management service provider engaged by Mr. Epstein has deleted several websites it previously created, changed access information related to accounts it previously created, and added and deleted certain internet related accounts. The result of these efforts is reflected in the Updated List.

Please note that the changes described above and reflected in the Updated List are modifications to the previously reported internet accounts, websites, blog sites, associated email addresses and other web-based accounts and content concerning Mr. Epstein, but which are neither created nor used by Mr. Epstein, that are independently created by internet reputation management service providers engaged by Mr. Epstein. Out of an abundance of caution, Mr. Epstein has been disclosing and will continue to disclose such internet-related information, and any changes and additions thereto, as and when the same is disclosed to him by such third party internet reputation management service providers.
