DIDN'T YOU GET THE MEMO?

Hi Luv! One of your colleagues has invited you to download Memo, an app where verified members of your company can share anonymously.

LEARN MORE

To ensure your company doesn't know you're on Memo, disconnect from your company's internet before downloading.

Someone you know explicitly invited you to Memo from their address book. If you'd like us to block future invitations, [click here](#).

Collectively, 68 Jay Street, Brooklyn, NY 11201
