Again, Jason took me and all my friends out! He asked me to go away with him to Vietnam...

The funny part is - my new friend [REDACTED] (the smart one) kept telling me that she wants to set me up with her friend Cyrus massoumi - we are having brunch today. And looks like he is friends with Jason (another friend of [REDACTED] was with us last night and he said "oh you are the [REDACTED] I have heard about from [REDACTED]. Then he texted maryna that he doesn't have a chance cause I am with [REDACTED] hard to be so popular
