 **Wolfram Insider for Education**

Issue 7, 2015

FROM THE EXPERTS

Data Drop Virtual Workshop »

Get started collecting, organizing, storing, and computing with mobile app data and connected devices at the Data Drop Virtual Workshop on July 28. Seats are limited, so register today.

UPCOMING EVENTS

Wolfram Data Summit 2015 »

The Wolfram Data Summit takes place September 1–2 in Washington, DC. It is an invitation-only, high-level gathering of innovators in data science, creators of connected devices, and leaders of major data repositories. If you'd like to request an invitation to this exclusive event, send your email, name, title, and organization to events@wolfram.com.

UPCOMING EVENTS

Preview the Computational Revolution at Wolfram Technology Days »

Explore how modern computation saves you time and keeps you competitive. With natural language queries and completely interactive documents, Wolfram is fueling innovation and redefining classroom learning. Find a Wolfram Technology Day event near you.

CALL FOR SUBMISSIONS

Get Published in *The Mathematica Journal* »

The Mathematica Journal publishes articles on *Mathematica* techniques and applications. We are currently looking for new article and *Mathematica* package submissions to enable readers at all proficiency levels to use

Mathematica more effectively. Get detailed guidelines and send your submission today.

IN THE SPOTLIGHT

Wolfram Language and Artificial Intelligence »

Stephen Wolfram explores the Wolfram Language's `ImageIdentify` function and machine learning, showing you how to classify any picture by dragging it, snapping it, or loading it from a file.
