When Nicole came in earlier this week she informed us that she has an offer from her previous employer to work 3 days a week as an independent contractor. I stood firm and said 4 days could work for us but not 3. She responded later that night that she is willing to work 4 days and interested in joining Elysium but this prompted me to go back to Rich to see if there was anyone else in the pipeline. As it turns out there is 2 other people who Rich and Rich had deemed to be second best to Nicole. I have attached the resumes of both. Julie Li looks very interesting. She is coming in to meet with Larry and me early tomorrow morn. If she's good we may go that way, if not, I will proceed with an offer to Nicole immediately. This will be resolved by close of biz tomorrow. We also have a person coming in at lunchtime tomorrow who would be a hybrid admin/bookkeeper type to do the lower level input, wires, etc.
