Fine, but you should have told me first. I make the recommendations anyway.
And this is what she sent:

EXPERIENCE

SIK Designs Interior Design Company New York, New York
Assistant, November 2012 - present

- Contributed to the development of entire design concepts and delivered it to a final presentation.
- Ensured code compliance (commercial grade) of all fabrics and finishes
- Organized and maintain SOWs, contracts, and legal agreements
- Provided administrative support and coordinated meetings with clients

Who wrote this for her? A more accurate and relevant experience description for the position would have been;
2012-Present:
-Making things wet.

I won't tell him. She's welcome.
