Hello Dean,

I am [REDACTED] thank you for your assistance. I am currently looking for an internship at a water-related organization and preferably who closely work with innovative technologies. I am interested in water management, water infrastructure and access to clean water. Here is my resume attached. Please let me know if you could help and don't hesitate to contact me if you need more information or you have any questions. My number is [REDACTED]. Thank you!

Sincerely,

[REDACTED]
