

KENNETH E. MAPP

Qualifications for Finance, Administration & Management

PROFESSIONAL PROFILE

- Result oriented professional with over 27 years of executive-level public and private sector management experience; including public finance, economics and capital project development, (including technology development, implementation and support), regulatory administration and human resource management.
- Strong leadership and communication skills; I am resourceful, loyal and motivated with extensive knowledge and experience in international economics, public finance and governmental affairs.
- Listening, learning and working well with others have been the bedrock of my professional success.
- Seeking an organization where my knowledge and experience will be used to create value.

AREAS OF EXPERTISE

Operations Management	Media/ Public Relations	Economic Development	Leadership
Project Management	Strategic Planning	Labor Relations	Public Finance

PROFESSIONAL SYNOPSIS

- Business, financial & risk management consultant services
- Managed VI Public Finance Authority, issuing over \$900-million of municipal securities to fund public and private capital projects
- Diversified and restructured the Authority's investment portfolio, recovering "negative arbitrage" earnings
- Implemented and managed finance, economic and technology development projects
- Managed the restoration of historic government and corporate facilities, including IT portals and infrastructure
- Managed the regulatory responsibilities of the insurance industry in the US Virgin Islands
- Served as Chairman of the Virgin Islands Banking Board
- Served on high-ranking legislative committees and sponsored economic development initiatives
- Managed private firm's capital reconstruction project following the devastation by Hurricane Hugo
- Served as an executive-level administrator for a major transportation and tour company
- Administered and regulated territorial business licensing and trade laws as Director of the Consumer Services Administration; providing consumer protection services through public education, mediation and/or adjudication. In this capacity, I also served as an administrative law judge
- Promoted the Virgin Islands as a major destination for new business and economic investment opportunities through the Industrial Development Commission
- Testified before congressional committees, the Federal Trade Commission, and have experience working with Members of the US Congress and US executive branch agency officials
- Created opportunities for employee advancement through continuing education, advanced training and promotions
- Created, participated and worked with community and NGO organizations
- Earned a Masters in Public Administration degree following my tenure as Lieutenant Governor
