**Subject:** Sikorsky S-76D Available For Sale

Hello Darren and Larry,  
It's been a while, hope you are both doing well.  
We have a new S-76D painted black for a customer that may back out soon, thought I would let you know just in case there could be some interest?  
BTW Larry, every time I see the X2 I think of you and the race at WPB.  
Best regards,  
Howard
