Last spring, our curators traveled to New Delhi (read about their adventures here) in pursuit of kantha throws to bring back to Dot & Bo, and today's Crafted: Collection is the result of that globetrotting-market scouring-sight savoring trip. In celebration of the beautifully crafted Kanthas our team brought back, we wanted to sit down... [CONTINUE](#)

### Leave Your Heart In San Francisco

In San Francisco, dream homes come in candy shades, with sun-drenched bay windows and views of the Golden Gate. Peek inside of one of the Painted Ladies, a row of pretty Victorians as iconic to San Francisco as sourdough bread. Pass through the airy entryway, its high ceilings lined with elegant crown molding. Move into the living room and unwind on a chic plush sofa the color of the bay. Trace the city skyline with an etched reclaimed wood coffee table, and see how the view matches up to what's outside the window. In the kitchen, nibble on artisan cheese and crack open a bottle of local wine. As you glance down the long... [SHOP NOW](#)
