Dear Jeff, this to thank you for the best and the most generous friendship in the year that passed. Looking much forward to be with you in the new challenging, but promising year. So: a very, very happy new year to you!!!
Warmest
Terje

Exponential growth creates inequality . Talent is distributed the same way . Google users also . I can show you nice math . Systems evolve . I would suggest that tweaking is difficult

This is amazing: she kept coming back and laying on my laptop every time I try to do something on it: first she open something on Wikipedia, then she turned on the music, went through a few songs for a few seconds and then decides on "I put a spell on you", listens to it for a little, the shuts down the computer, all by herself!!Later she stretched herself and turned it back on, only she did not know the password..:)
