Oh no, did you? I actually had to splurge. I gave that same shower gel to John Burnham and he loves it and I use it as well. It has a very nice refreshing scent that's very clean and not overpowering.

It's all natural. You have to shake it every time you use it. Since it doesn't have any chemicals once you open it you have to use it within six months. This should not be a problem.

I didn't know that there was a method to your madness before when you didn't serve alcohol. As I said before I thought it was just because you were a bad host. Now I know that there was some thinking behind it.
