Not sure individuals can influence once impressions are made. But I will try.

I do not know for sure but I do think he would be unwilling to Bring it up with her.

Have been thinking that o bet there is a way to make her feel great and maybe a little happy if there was a like female TED that she could be the patron of - folks would love that and it would allow her to be at the center of some Powerful agendas that she cares a lot about

But not sure she's up for it or even how to do it

Have been thinking that o bet there is a way to make her feel great and maybe a little happy if there was a like female TED that she could be the patron of - folks would love that and it would allow her to be at the center of some Powerful agendas that she cares a lot about

But not sure she's up for it or even how to do it

Like maybe a legacy

"I'm with Her" that she and Hillary Clinton could co own and build out over many years
