Just got home about 20 mins ago. Swelling down 80 percent from last night and now just rest. [REDACTED] is cleared to eat and relax. Pathology best case we will receive back Friday but probably Tuesday of next week as Monday is a Holliday. Surgeon took out 1 lymphnode but inferred that he did not think cancer spread and said we would discuss need for radioactive iodine next week with more accurate findings. Been a wild 24 hours. Going to try to get some sleep and will be available if you need anything in a few hours.

The reason why I didn't see this Sandusky article is because it was in the sports section.  
UC. You and Woody were laughing and I was right.

I think woody should be prepared with a comeback line if someone makes some shout . in l.a. . or plant someone in the audience to respond.

You're wrong, they do have an effect on me. I live in the United States so it does affect me. It's the whole negative state of mind that Donald Trump is perpetuating.
