Very funny. I had to ask Woody that one because I didn't get it. It was a pun and very apt in your case. It was even more brilliant on my part than I thought. Woody said to stop gilding the Lily. I can only make jokes but I can't get them. Woody thinks it's the weirdest thing. He thinks I'm mentally damaged.

bill needs to focus on american problems first and foremost , if he wants deals. he can also portray certain worldwide initiatives as buying american drugs etc. IT MUST have an american component. donald says it is childish to count the lives at risk in africa and make believe you are doing something for america. or pakistan afghanistan, etc. he points to 8500 killed in chicago vs 2500 killed in afghanistan over the past 10 years.
