Issue really is about how easy it is

For fndns to spend tax dollars of Americans. Like how generous would they be if they had to spend their own money?

Also -

1. All laws that apply to us foreign policy should be applied to charitable orgs spending us tax dollars. So the global gag rule should apply Across philanthropic dollars too. If ppl want to spend

Personal money they can just

Not charitable. This should be done immediately.

2. Should not be allowed to grant to foreign Gov't w Charitable dollars.

That's basically lobbying or a bribe - charitable money shouldn't be allowed. Relates also to #1 above.

3. If charities want to spend charity dollars outside us should be required To go through USAid so it isn't being sneaky and on other agendas.

4. USAID should have a big charity division that does only this for Science and tech.

I can't figure out where is the best place to stay...Zion Mountain Ranch or Zion Lodge...Zion Lodge is inside the park, easy access to hikes and very close to Springdale, but a little more expensive, and Zion Mountain Ranch is secluded (about 30-40 min drive from the national park) but looks beautiful and is on a buffalo preserve
