yes father was great. problem is that donald didn't think he had the guile to deal with russians. and now the russians have lost most hope that there will be a fast deal. the pushback from pentagon on agreements , was huge. there is a cold war mentality that I have no insight or opinions about. but accept the fact that russia is seen to be untrustworthy. . not my experience at all.

the wikileaks CIA leak , suggests that there are zero exploits in the arsenal that are circulating without being turned over to companies. it is sooo wild.
