We're leaving January 1 for London for a January 2 concert and we can give you the itinerary of the places we are going and when we will be there in a day or two and you can join us anytime you want in any of those places.

Are you sorry you called me? Do you feel you should've just texted. You certainly got an ear full. The book that I'm recommending is called "As Nature Made Him The Boy Who Was Raised As A Girl by John Colapinto.

I think you should buy the Walt Disney drawing of Disneyland for 700 and something thousand or up to \$1 million. It's going up for auction. It's in today's New York Times. It looks beautiful. If I had that kind of money I would buy it. I think it would be amazing to have something original by Walt Disney.

Ok first miami hilarious

We have to drive to the cemeteries to put rocks on graves (normal). By steves mother wants to dig up her deceased husband from his existing cemetery and move him because the cemetery is too far for her to visit. She'd like something within 5-10 minutes. "It's just not convenient, but it is my duty." Steve seems to think this is normal. "Good idea."
