Let's talk again, ML is good platform for me to build and run a business, lots of solid capabilities we should discuss, I used to work there as I-banker, feels right, will need your help. Best

hi.. been thinking of you. Wanted to make it clear, as I think you may realize, that [REDACTED] is a pretty remarkable woman. She is worth holding on to, and the last 3 days have been very good days of building a net of safety and happiness. She is great for a number of the same reasons she likes you: She is clear headed, honest, says what she means no matter what, and is loyal and generous.
