I'm still trying to get a DVD for you of Deconstructing Harry. In the meantime, and if I'm not successful, you can rent it at:

The videoroom

██████████. They have it for \$4.89 for 3 day rental.

New York

NY

10075

United States.

But you have to become a member in order to rent from them. This would probably be a good option as how many times would you want to watch it.
