I am sorry to hear that. I didn't mean to make you feel that way. I always try my best when sending you stuff. It was just a little bad timing this time so it took me a little longer than usual. Very sorry about it. Our luggages are gone over here and we are still waiting for the airline to locate them :(

👤 I guess they thought I was a cannibal. I hate gigantic portions like this and I hate to waste food. I'm in Hamburg, Germany. I lose my appetite when the portions are this big. No wonder there's an obesity problem the world over.

Hi dear, I hope all is good and that I'm not bothering. Very worried about your text and feeling bad about it since I really miss you and want to see you. Last thing I wanted was to make you feel like sending you pics is not important. It is important to me like everything you say. Was just a little inconvenient this time. Very sorry for that I was slow. My bad. I am wondering if you would like to download the application Snapchat? We could dirty talk and send stuff there, if you want to of course. Sorry for the delay with the previous ones again. I always send you as soon as I have a good mirror and alone. I hope that is fine for you. Also let me know if I can call you these days when you have time? Can't wait to see you and have fun naughty time together. So many naughty things we could do that we still haven't done. Big kiss from me to you
