I really don't want you to think I'm not capable of taking advantage of this opportunity I have. Really i wish you could see in my eyes for one moment how thankful I am and how I won't let anything stop me from getting to where I want to be is really my time this time.

You are 100 % right. Was really inconvenient and bad timing with this trip. Was just so happy and grateful when my best friends from hometown invited me and we have never done anything like this together and I rarely see them. So that is why I went. But you are right. I have been very stressed. After this it is 100 % work and future. I swear. Also I have an interview for Wunder2 at least something. Thank you for your advice and for always being there. I can't put in words how much it means to me and how much I want to thank you and just spend some time with you. Can I come to you for a few days? I will bring lap top and still do work stuff

Jeffrey, you are right. Fun travel is over. For real. I have been trying to study trying to make it as a model trying with different things in order to become successful in something. It has been hard as I have always been so lost with trying to figure out what to do with life and what is really good at. I am sorry I made you disappointed and that I am a failure in your eyes. I really am. I could come to the island on Monday if you would like to and I would do anything with you/another girl. Would love to actually. What I feel when with you it's the best thing ever and I really don't want to lose that for nothing. I am sorry so

couldn't find a girl. It has been so hard figuring out what to do with life as I often feel like I am nothing special and not good at anything

I ask for a photo and you take 2 days to do it , with more excuses. you have told me the same thing about giving up modeling 4 times. each time you then say but.. but but. and we start again. I told you that abs are yesterday . you ignore advice and lose weight and workout hard. forcing what is a amazing sexy girl into a female body builder. because you want t d as you want not what is suggested supported or advised. I tell you the lingerie photos are cheap ON:Y ten days ago but NO. you can't resist the bottle.

I'm sorry I'm sorry a million times it took me so long with the photo. I was surrounded by people and forgot. So so stupid of me. Really stupid me. I am ashamed of myself reading
