We had such a good time today, you wonderful man. Thank you for bringing us to New York and for treating us to ████ much improved driving skills since you and I test drove with him that first day, about 20 years ago, when he got his license.   And I trust him so implicitly, that I actually let him take ████ all by herself to Fairway, her favorite grocery store, and back to the apartment. She felt like such a big girl! She got such a kick out of seeing hundred dollar bills in every compartment too.
Sending you such a big hug, ■

dark skin more difficult. thats why surgeon needs to be best. the cutting and stitching are
the most difficult. and it will take a year before they heal and breast fall. . ask you sister to
take full front and side . the key is nipple placement. and side of breast fat.
